

**i HAVE... WHO HAS...**

**Habitats**

**CREATED BY: CASEY NESTOR**

**CLIP ART PROVIDED BY: SCRAPPIN DOODLES**

**i HAVE...** the first card

**WHO HAS...** a group of interacting living things sharing an environment?

**i HAVE...** community

**WHO HAS...** a group of species living in a given area?

**i HAVE...** population

**WHO HAS...** the home of a living thing?

**i HAVE ...** habitat

**WHO HAS ...** any living thing?

**i HAVE ...** organism

**WHO HAS ...** the Georgia region in the south and southeast part of the state that is characterized by muddy soil, wetland habitats, and slow-moving water?

**i HAVE ...** marsh

**WHO HAS ...** the Georgia region that borders the Atlantic Ocean and is characterized by sandy soil and a warm climate?

**i HAVE ...** coast

**WHO HAS ...** a body of salt water?

**i HAVE ...** ocean

**WHO HAS ...** the Georgia region that is in the central part of the state, and is characterized by rolling hills, rocky terrain, and red clay?

**I HAVE** ... piedmont

**WHO HAS** ... something that can be used and can be found in nature (timber, water, minerals)?

**I HAVE** ... natural resource

**WHO HAS** ... the act of preserving resources by using less of them?

**I HAVE** ... conservation

**WHO HAS** ... the things that make up an area such as land, water, and air?

**I HAVE** ... environment

**WHO HAS** ... something that provides cover or protection from weather?

**I HAVE** ... shelter

**WHO HAS** ... an organism that is not alive (rock, water, dirt)?

**I HAVE** ... non-living organism

**WHO HAS** ... an organism that is alive (trees, people, animals)?

**I HAVE** ... living organism

**WHO HAS** ... a group of animals that are close to becoming extinct; having very few of its kind left?

**I HAVE** ... endangered species

**WHO HAS** ... the breaking down of rocks into smaller pieces?

**i HAVE ... weathering**

**WHO HAS ... the ability to do work or activity?**

**i HAVE ... energy**

**WHO HAS ... a special characteristic that helps an organism survives?**

**i HAVE... adaptation**

**WHO HAS ... a tree with wide leaves that sheds seasonally?**

**i HAVE ... broad-leaf trees**

**WHO HAS ... a tree with needle-like leaves that is green all year long?**

**i HAVE ... needle-leaf trees**

**WHO HAS ... a tree bearing fruit that can be eaten by people?**

**i HAVE ... fruit bearing trees**

**WHO HAS ... how hot or cold something is?**

**i HAVE ... temperature**

**WHO HAS ... a feature or characteristic on the outside of an organism?**

**i HAVE ... external features**

**WHO HAS ... a community of interacting organisms and their environment?**

**i** HAVE ... ecosystems

**WHO HAS** ... the first card?

### answer key

1. the first card
2. community
3. Population
4. Habitat
5. organism
6. marsh
7. coast
8. ocean
9. piedmont
10. natural resource
11. conservation
12. environment
13. shelter
14. non-living  
organism
15. living organism
16. endangered  
species
17. weathering
18. energy
19. adaption
20. broad-leaf trees
21. needle leaf trees
22. fruit bearing  
trees
23. temperature
24. external features
25. ecosystems
